Program

President-elect Linda Vogel introduced today's speaker, Bob Ulm from Maverick Media. Bob's career began at WDOH covering city council meetings and school board meetings while still in high school in 1973.

Bob is excited about the current affiliation with Maverick Media, because it gives him the opportunity to represent 5 stations serving more

clients and reaching a broader audience throughout western Ohio.

Bob has been news director and has been selling spots at the station since 1974, and has enjoyed virtually every minute of it.

The thing he's enjoyed most about the job has been the ability to impact our community and to make a difference in the lives of the listeners.

He's proud to have been on the air each day, continuously, longer than any other area radio personality, and hope that it can last another 20 or 30 years.

Queen of Hearts

Ed Raudabaugh had the lucky ticket today. But the Queen eluded his grasp.
