### Program

The club enjoyed having Dane Marsee as the guest speaker. Dane is the son of DeWayne and Billie Marsee and currently resides in Columbus and works for "The" Ohio State!! While Dane was obtaining his bachelor's degree in business management from the University of Toledo he worked for the University of Toledo in the athletic department. He was responsible for special events in the John F. Savage hall basketball arena and the Glass Bowl football Stadium. After College he became the operations manager with the Toledo Conventions Center. He currently is the access control coordinator for "The" Ohio

State University's office of Student Life department of risk and emergency management. He manages all keys, offline card readers and all electronic key boxes within their dept. He is currently working on a \$370 million dollar North Residential District Transformation project. Risk & Emergency Management includes the following: Crime/Theft Prevention & Security Emergency Management; Fire Prevention; Risk Assessment; Work Place Safety; Keys & Access. Dane is the student's life single contact for all keys, lock changes and access. He helps student life departments make access and hardware related decisions. He also creates and trains staff on procedures to keep residents safe in their rooms and equipment secured.
