Rotary made a check presentation today to Milt Miller for the LIA. Keep up the good work Milt!

The Rotary Club was also presented with its "End Polio" Banner today.

#### **Program**

Howard Overman. Interim Superintendent at St Marys Schools was our guest speaker today. Howard spoke of his history and experience in education beginning with graduation from Marion Local High School in 1976, to the University of Dayton, playing football at UD, and 36 vears in the education field which included teaching, coaching, athletic director, assistant principal, principal, assistant superintendent, then finally Superintendent at New Bremen Schools. He retired in 2015, did some sales for a while, then was asked to come to St Marys as the interim Superintendent.

Howard shared his enthusiasm with the St Marys School system. He was impressed with the number of faculty and administration that were from the St Marys community. He spoke of the strength of the school, and the characted of the students he has observed both in athletics and accademics. He said that 83% of the students at St Marys high school were involved in some form of extra curricular activity.

Although the schools state report card need to improve, he sees opportunity for that improvement. He sees a need for help in getting students past what he calls "social barriers". He said the the ESSA program needs to have local control and urged residents to reach out to our legislators and share that concern.

Howard answered a few questions...

- Q: How is his position here different from previous responsibilities?
- A: He said he's not approaching this position any differently that past jobs.
- Q: Why have so many schools in Ohio fallen short on their state report cards?
- A: Changes in testing & frequesny. Need to be some adjustments made to better reflect what is actually being taught.
- Q: What one thing would you propose be done in our community?
- A: More local control. Our staff loves what they do, and knows best what our students and the community needs.

O: What about the new stadium?

A: No decision at this time.

#### **Queen of Hearts**

Beth Noneman drew for the Queen, but the Queen lives.
